Chapter 6

Tafsir is the explanation of the Quran is one of the most vital of the quranic sciences.

- *Tafsir* the Quran by the Quran.
- *Tafsir* the Quran by Hadith.
- *Tafsir* the Quran by the *Sahabah* and *Tabiun*.

Translation of the holy Quran:

- No translation of the holy Quran can be considered to be the word of Allah subhanah wa ta'la.
- Translation has no standing as law (*Shariah*).

The benefits of the translation:

1. To invite non-Arabic speaking to Islam.
2. To clarify for the non-Arabic speaking Muslims the revealed guidance and will of Allah subhanah wa ta'ala.
